

## The 10<sup>th</sup> International Symposium on Inorganic Phosphate Materials (ISIPM-10) 開催案内

2018年8月8日(水)～10日(金)に The 10th International Symposium on Inorganic Phosphate Materials (ISIPM-10)をカザフスタン共和国アスタナのナザルバエフ大学で開催いたします。The 6th International Conference on Nanomaterials and Advanced Energy Storage Systems (INESS-2018)および The 5th International Symposium on Innovations in Advanced Materials for Electronics&Optics 2018 (ISIAMEO-5)との共同開催です。講演申込締切は6月15日(金)です。多数の皆様のご参加をお願い申し上げます。

### 主なトピックス

- Basic science of phosphates (Processing of Elaboration, Phosphates Glasses & Glass Ceramics, Structure & Applications, Apatite & Related Bio-Materials, Advanced Structural Analysis, Solid State NMR, Spectroscopy, Synchrotron Radiation)
- Technology & uses (Anticorrosion & Catalytic Application, Phosphate Materials For Energy, Conversion and Storage)
- High tech electronics & optics (Electronic Phosphate Materials, Opto-Electronic Materials)
- Beneficiation of Phosphates (Mineral Processes, Technology & Equipment, and Nuclear waste), Phosphoric Acid Purification: Recovery of trace elements (U, Cd, etc.)
- Phosphate and green Technologies

### Organizing Committee

- Chairman  
Prof. Zhumabay Bakenov, Nazarbayev University, Kazakhstan
- Co-Chairman  
Prof. Zhaxybay Zhumadilov, Nazarbayev University, Kazakhstan  
Prof. Masataka Wakihara, Tokyo Institute of Technology, Japan  
Prof. Kiyoshi Kanamura, Tokyo Metropolitan University, Japan  
Prof. Yang-Kook Sun, Hanyang University, Korea  
Dr. Miroslava Vaclavikova, Institute of Geotechnics of Slovak Academy of Sciences, Slovak Republic  
Prof. Desmond Adair, Nazarbayev University, Kazakhstan  
Prof. Moulay-Rachid Babaa, Nazarbayev University, Kazakhstan  
Prof. Maksym Myronov, University of Warwick, England
